

ASUKA II Cruise Ship – March 2-3, 2010

The Asuka II Cruise Ship originating from Japan made its last stop in Palau on March 2-3, 2010. The cruise ship was anchored in-front of Palau Pacific Resort where the 535 guests on board spent their time enjoying the beautiful white sandy beach and services the resort had to offer. A Palauan themed sunset beach dinner was set up for all the guests on board Asuka II which began with an amazing sunset followed by entertainment of the local dance performers and artist. *“I am sure that our passengers are very happy at the last part of their long cruise and will retain this good memory for a long long time together with your excellent hospitalities”* wrote S. Imasaki, President of NYK Cruises.

This was the biggest dinner event ever on the resort’s beach which ended successfully with the wonderful teamwork from the crew and organizers of both Asuka II and Palau Pacific Resort!
